Honorable Nancy Joseph  
United States Magistrate Judge  
517 E. Wisconsin Avenue  
Milwaukee, WI 53292

Re: US v. Margaret Keefe  
Case No. 11-CR-226

Judge Joseph:

The defendant filed two timely pretrial motions in this case. On December 7, 2011, the defendant filed a motion to disclose any Rule 404(b) evidence that the government intends to introduce at trial. On December 12, 2011, the defendant filed a motion to sever from her co-defendant citing a *Bruton* issue. A separate response will be filed on or before December 27, 2011 addressing severance. This letter serves as the government's response only to the defendant's motion regarding disclosure of potential Rule 404(b) evidence.

On December 9, 2011, the government met with opposing counsel and all other acts evidence, if not provided directly to counsel, has been made available. Further, should the government attempt to introduce such evidence at trial, a notice detailing the specific other acts evidence will be provided to counsel seven days before trial.

Sincerely,

JAMES L. SANTELLE  
United States Attorney
